All enrolled CITs will be asked to provide an availability update in May. All CITs must make every attempt to attend training dates or complete any required make-up sessions. Your availability may be a deciding factor in acceptance into the program. All CITs must be available for at least 5 weeks out of the summer.

Please list any scheduling conflicts that you are aware of now.

Examples include any time off you need for travel, if morning shifts are better due to transportation, etc.

If you are scheduled to take a NYS Regents Exam, please list the dates and times of those exams:

If you are scheduled to graduate in 2024 or have a sibling who graduates, please share important dates, such as the graduation rehearsal or graduation ceremony: _____
